2017-2018 SUNDAY JUNIOR CLASSES (Age 6 to 15)

Learn to play table tennis the right way! Learn the correct strokes, footwork, strategies, and rules of this Olympic sport. Players will be grouped roughly by age and level, from beginners to intermediate levels. Groups will be kept small to allow for individualized instruction. As students progress and continue with the classes, more advanced and challenging skills will be taught.

This is a year-round program. Each student's progress will be evaluated during a 30 minute one-on-one private lesson. For novices, we recommend this private lesson to be scheduled as early as possible. To arrange for this private lesson, please contact MDTTC Head Coach Jack Huang at the club or call him on his cell at 240-506-9592.
